Amendment au-
thority.

SEC. 4. (a) The Secretary is authorized to amend contracts heretofore made under the Acts of September 30, 1950 (64 Stat. 1083), and of August 31, 1954 (68 Stat. 1026), whereby the water users assumed an obligation for winter power replacement based on the winter water savings program at the Minidoka powerplant to relieve the contractors ratably by one-third of that obligation, and to make new contracts under these Acts on a like basis. To the extent such annual obligations are reduced, the cost thereof shall be included in the cost to be absorbed by the power operations of the Federal power system in Idaho.

(b) The actual construction of the facilities herein authorized shall not be undertaken until at least 80 per centum of the conservation capacity in Fremont Reservoir is under subscription, nor until negotiations have been undertaken in accordance with the provisions of (a) of this section.

Reports to Pres-
ident and Con-
gress.

(c) No construction shall be undertaken on facilities of the Lower Teton division which are required solely to provide a full water supply to lands in the Rexburg Bench area until the Secretary has submitted his report and finding of feasibility on this phase of the division to the President and to the Congress.

Appropriation.

SEC. 5. There is hereby authorized to be appropriated for the construction of the Lower Teton division of the Teton Basin Federal reclamation project, the sum of \$52,000,000, plus or minus such amounts, if any, as may be justified by reason of ordinary fluctuations in construction costs as indicated by engineering cost indexes applicable to the types of construction involved therein, and, in addition thereto, such sums as may be required to operate and maintain said division.
